Koch Companies Sponsor Habitat for Humanity Blitz Build

WICHITA, Kan. – Koch Industries and its subsidiary Flint Hills Resources have committed \$55,000 to Wichita Habitat for Humanity, Inc. to fund a three-week Blitz Build of a home, which will be constructed by Koch company employees.

INVISTA, another Koch company, will donate carpet and flooring for the house. The home, to be located at 1948 Silver Street here, will be built July 11–30. Site preparation will begin with the basement excavation on Thursday, June 2, 2005.

“Koch Industries, Flint Hills Resources and INVISTA are all proud to help Habitat for Humanity change lives here in our home town,” said Susan Addington, community relations manager at Koch Industries. “One family at a time, Habitat helps provide opportunity for hard-working Wichitans, and our employees are excited about being a part of the effort.”

Linda Stewart, WHFH Executive Director, said, “Through the generosity of Koch and the volunteer efforts of Koch company employees, simple, decent and affordable home ownership will become a reality for another family. We are very grateful to receive this gift and are privileged to again be partners with the Koch companies.”
