**Flint Hills Resources Honors Youth Art Contest Winners  
at Visionarios Family Day**  
*Visionarios Contest Promotes Both Artistic Achievement and Literacy*

**CORPUS CHRISTI, TEXAS – Feb. 11, 2007** – Winners of the 6th annual Visionarios youth art contest, sponsored by Flint Hills Resources and presented by the Art Museum of South Texas, were announced today during Visionarios Family Day at the Art Museum of South Texas.

More than 50 students from 1<sup>st</sup> through 12<sup>th</sup> grade were recognized at a ceremony, and artwork from the 400-plus entrants will be on display at the museum through Feb. 25.

The Visionarios contest is designed to promote literacy and recognize the success that comes from hard work. Students in the Visionarios contest submitted an age-appropriate essay along with the art entry. They drew on literature, geography, science and other subject areas to create their entries around the theme of “Our Land, Our People,” giving them the opportunity to combine literacy and the creative process.

The annual Visionarios competition is open to students in public, private, and home schools and includes categories for painting, drawing, and photography. Top entries in each category were selected by a panel of professional artists. For more information on Visionarios, visit [www.artmuseumofsouthtexas.org](http://www.artmuseumofsouthtexas.org).
