Koch Industries to Sponsor FREE Kids Clinic
Before Wranglers Game on Sunday, June 5

Wichita, KS – The Wichita Wranglers and Koch Industries will be hosting their annual FREE Youth Baseball Clinic on Sunday, June 5th from 2:00-4:30 p.m. The clinic will take place at Lawrence-Dumont Stadium and is free to all boys and girls ages 6-12.

Compliments of Koch Industries, all participants will receive: hands-on instruction by Wranglers players and coaches, a Wranglers logo mini-bat, the opportunity to attend a player autograph session, and a ticket to that night's game between the Wranglers and the San Antonio Missions.

This is the 16th year that Koch Industries has sponsored the clinic, giving children a chance to interact with professional baseball players and attend a baseball game. In the past, an average of 600 children take part in the clinic.

Participants should arrive 30 minutes prior to the clinic with a glove and proper dress, as they will be participating in drills designed to teach the fundamentals of baseball. The deadline for registration is Friday, June 3.

For questions regarding the Koch Industries Youth Baseball Clinic, please call the Wichita Wranglers front office at (316) 267-3372.
